

Announcement: Scholarships Available for 2015

March 11, 2015

Dear Members,

To support the scholastic endeavors of our members, every year The Metrolina Phoenician Club (MPC) offers scholarships to students who plan to pursue a university education. Additional scholarship funds are available to our members from the Southern Federation of Syrian Lebanese American Clubs, an umbrella organization that we are pleased to belong to.

The deadline for the Southern Federation's scholarships is **April 1**. We encourage all high-school seniors who are enrolling in a college or university to start working on their applications. Simply go to the Southern Federation's website www.sfslac.org, enter the "Scholarships" tab and download the Scholarship Checklist & Application.

Please note the following:

- There is a new community service requirement with a minimum of 10 hours at the local club (meaning, the MPC), religious institution or federation level.
- To be eligible, the parent or applicant must be a paid member since 2013.
- The MPC's President must sign the application before it is sent by certified mail to the Southern Federation.

The MPC has its own Scholarship Fund to assist high-school seniors who are enrolling in a university. The criteria for eligibility and the Application Forms is available on our website www.phoenicianclub.org under **Scholarship Fund**. The application deadline is **April 30**.

The board of the MPC is happy to learn that several of our young members have already been accepted to colleges and universities. We encourage each and every one to take advantage of the scholarships provided by the Southern Federation and the MPC.

Sincerely,

Lamia Hanna
