

Members of the Metrolina Phoenician Club are eligible to receive scholarships from the Southern Federation of Syrian Lebanese American Clubs (SFSLAC), an umbrella organization that we are proud to belong to. Since 1993, a number of students have benefited from this scholarship. In 2007, the Metrolina Phoenician Club (MPC) began offering its own scholarship that is funded by community members. Since then, high school graduates have access to two different scholarships – from the SFSLAC and the MPC – for the freshman year of college.
